Collaboration and Creativity at PDP's Women's Team Building Night

Pierce Davis & Perritano's women attorneys put down their legal pads and picked up paint brushes, glitter and glue for a night of team building. Collaboration and creativity were the themes of the night as attorneys Judy Perritano, Meghan Riordan, Maria Deluzio, Maureen Pomeroy, Katherine Connolly, Melissa Malloy, and Carlie Seigal worked together to create this masterpiece which now hangs in PDP's office.
