**For further details, please visit:** <https://www.theknowledgegroup.org/webcasts/product-liability-litigation-2019/>

### **About Melissa M. Malloy:**

Melissa M. Malloy focuses her practice on the defense of toxic tort actions. For the past eight years, as a member of a National Coordinating Counsel team, she has assisted in the nationwide defense of an equipment manufacturer in the asbestos litigation. Her work includes the investigation of key facts, the development of expert strategy, the preparation of dispositive motions, and trial preparation and appellate support for federal and state cases filed in jurisdictions across the United States.

Ms. Malloy is a member of the bars of Massachusetts and Rhode Island, a member of the Defense Research Institute, and previously served as an appellate law clerk to the Chief Justice of the Supreme Court of the U.S. Virgin Islands for three years.

### **Event Synopsis:**

The volume of product liability lawsuits filed in recent years has grown critically. Manufacturers must keep themselves abreast with the recent developments in the regulatory paradigm to avoid consumer injury, more so, the complexities of a product liability litigation. Furthermore, they must come up with advanced strategic actions to mitigate possible risks and pitfalls.

In this LIVE Webcast, a panel of distinguished professionals and thought leaders organized by The Knowledge Group will provide an in-depth discussion of the latest issues in product liability litigation. Speakers will dig deeper as they analyze its implications and provide best practices in handling product liability lawsuits.

Key topics include:

- ▶ Product Liability Litigation: An Overview
- ▶ Recent Product Liability Claims and Court Decisions
- ▶ Proving and Defending Against Product Liability Litigation
- ▶ Litigation Pitfalls and Challenges
- ▶ Risk Mitigation Strategies
- ▶ 2019 Outlook
