

PDP Celebrates its 20th Anniversary!

Pierce Davis & Perritano, founded in 1998, celebrates its 20th year in business. The three name partners, along with Elizabeth Fahey (now the Honorable Justice Fahey), joined by 10 associates, left a large firm to form their own.

A hallmark of the firm has always been to provide excellent and responsive service to all of our clients, and ensure that our attorneys are fully versed in our clients' needs and poised to represent them in all phases of litigation.

Since its inception, PDP has also been dedicated to community service. Over the years, through numerous gift drives, public service projects, and other good works, that commitment continues.
