

Pierce Davis & Perritano Sponsors Gifts for 94 Massachusetts Children During Holiday Season

For more than a decade, Pierce Davis & Perritano LLP has participated in an annual Toy Drive organized through the Massachusetts Department of Children and Families (DCF). Year after year, the toy drive (known as the Wonderfund) has helped make the holiday season a little brighter for children living in foster care, state-run residential facilities and impoverished homes in Massachusetts. PDP employees, as well as their family members and friends, who elect to participate in the program receive a child's name along with a wish list for toys, clothes, activities, athletic equipment, books or games.

PDP is always honored to be a part of this program which helps fulfill the wishes of so many deserving children; but it has been a sincere privilege to participate during this challenging year. Our employees, families and friends truly rose to the challenge this year and made this our largest season of giving to date with a sponsorship of 94 children, far surpassing last season's donations to 80 children.

A heartfelt thank you to everyone who participated in this year's Toy Drive, and a special thanks to Melissa M. Malloy for spearheading the program at PDP for a 5th consecutive year.
